

Appraisal and Evaluation

Name:

Position:

Date:

How many years at Plymouth Congregational Church:

1 – Taking the broadest view, how are you feeling about the current directions and initiatives in the mission and ministries of Plymouth Congregational Church?

2 – What are the areas in your work or ministry that are most life-giving and energizing for you?

3 – What are the areas in your work and ministry that are most draining and depleting for you?

4 – Are there areas in your work and ministry you would like to explore that you think Plymouth Congregational Church might be more supportive?

5 – Ministry and work at Plymouth Congregational Church places you in a significant role as a steward of the resources of the church. How are you feeling about managing the resources appropriate to your work?

6 – What is the most significant goal that you believe you accomplished this past year in your work at Plymouth Congregational Church?

7 – What three or more professional goals do you have for this new program year in your work and ministry?

8 – Do you have any suggestions that might increase the effectiveness of the work, mission and ministries that Plymouth Congregational Church is currently engaged?
